The Mount Vernon City Council met August 26, 2015 at the Mount Vernon City Hall Council Chambers with the following members present: Roudabush, Thompson and Peters. Absent: Taylor and Hampton.

1. Call to Order. At 10:00 a.m. Mayor James Moore called the meeting to order.
2. Approval of Agenda. Peters made a motion to approve the agenda, seconded by Roudabush. Carried all.
3. 2015 Street Improvement Project, change to contract 1 in the amount of \$10,260.00. Discussion and possible action. Mayor Moore explained that this meeting was called in order to approve an adjustment to the contract. Change Order Number 1 would allow the contractor to use concrete where blacktop was going to be laid. When asked if this would also include all driveways Dave Schechinger replied that there were only two driveways that weren't included. They are on the block from 2nd to 3rd on 5th Avenue where the curb and gutter will be left and that is still the case. Thompson asked if this will change the timeline as to when they will be finished to which Schechinger said it would not. Motion to approve Change Order #1 made by Roudabush, seconded by Thompson. Carried all.

As there was no further business to attend to the meeting adjourned, the time being 10:12 a.m., August 26, 2015.
